## Vol. 146

*Letter from the Editor*

Dear Fellow Teachers,

Once again we are together facing a new scholastic year!

First of all I want to share with you the news that this year the Dickens is 50 years old. It's unbelievable! At least for me it is. 50 years ago the Dickens was a mere garage.

Us teachers had great hopes that students would come attracted by a new way of learning English. And it worked! Not only did they come but they were fascinated! If you want to learn more about this venture further along your newsletter you will find the true story of the Dickens garage. Have fun!

Meanwhile a great big welcome to you! May this year be a successful one for you and your students, may we continue with face-to-face classes and may you have lots of students and have a lot of fun! Our promise to you is that we shall give you support all the year long. Between you and us 2022 will be a great year!

Andrea, Teresa and their Team have been working on extra special courses for teacher training. These courses will be held taking into account your teaching hours. Do your best to continue training. Teaching is always developing and you should keep this in mind and keep up with your profession. This will not only keep you and your students happy but your mind remain young.

Paty, Manuel, Sofia, Andrea,  
Teresa and I wish you and your students a great 2022!

*Monica*

*We are really looking forward to celebrating together with you because we are very grateful for your trust all these years. Your loyalty has pushed us to improve in order to provide you with better support each year, so thank you!*

*To those of you who are new to the Dickens community, welcome! and to the rest of the Team, welcome back! We wish everyone a great 2022 together!*

# 50 YEARS 1972-2022 DICKENS

## DICKENS INSTITUTE CELEBRATES 50<sup>th</sup> ANNIVERSARY!

It all started when in the summer of 1972 two English Teachers were looking for a place to open an institute and teach English in a different way. They heard of a place in calle Yaguaron, so off they went imagining the ideal place for their venture. The door was open and they walked in to find people working hard at their typewriters! One of them led them to the garage! Overcoming their initial disappointment, they began to see its possibilities, specially as the rent was quite low and they had three months grace! Besides there was nothing that a good coat of paint wouldn't do.

**From the Dickens Board:**

Agustina and Sofía Scherschener, Monica Harvey and Patricia Alvarez Harvey

Two weeks later two loud green doors with lovely orange suns announced to the astonished neighbourhood at large that Dickens Institute had been born! Inside, green, orange and yellow chairs, the provenance of which had better never be known, alternated with each other, and colorful tablets substituted desks. The teacher's desk was an old kitchen table painted loud green with a dictionary as decoration. The white walls were decorated with psychedelic art posters such as an elephant covered in flowers, a beautiful loud green parrot and other vibrant posters. Remember it was the age of the Beatles and the teachers were young!

To cut a long story short, the Dickens was a success! 84 students the first year! Doubled the number the second year and so the dear garage had to be abandoned but never will be forgotten!

Since those halcyon days 50 years ago, most of which have been very successful thanks to the many people and Institutions that have helped Dickens Institute to become what it is today.

Therefore our recognition and grateful thanks to the following: its thousands of students along the years, its Staff that has shared the Dickens dreams, ideals and beliefs through thick and thin, the Schools, the External Teachers, our noble Competitors and the British Embassy and its Ambassadors that have always been there when we needed them.

Finally, our gratitude to the British Institutions that helped us grow: Oxford Delegacy of Local Examinations, Trinity College London, Cambridge Assessment English, Cambridge Assessment International Education, that have always given the Dickens and our students a helping hand.

All in all 50 splendid years! May the coming years be of continuing growth and just as joyful and fulfilling!

# QUEEN ELIZABETH'S PLATINUM JUBILEE

On 6th February 2022, Queen Elizabeth II celebrated her 70 years as monarch of Great Britain and the Commonwealth. It's amazing that the Her Majesty, at 95 years of age, is still working and heading such an important Institution such as the British Monarchy and earning the respect and admiration of one and all!

And yet, in 1947, on her 21st birthday, she gave a speech which was broadcast over the radio while she was in South Africa. Probably the most important message in her speech was: *"I declare before you all that my whole life whether it be long or short shall be devoted to your service"*.

Not only it was a very impressive promise for a 21 year old to make but she has also kept her word. May Queen Elizabeth enjoy her Platinum and Jubilee year, but also continue on the throne in high spirits for many years to come!

*Virginia López has been a member of the Dickens community of associate teachers since the very beginning of the former External Examinations Department. We truly appreciate her kind words. Everyone at Dickens wishes her a happy retirement and every success to her daughter Jimena, who will be in charge of the new generations of students.*

*Mi querido Dickens Team,*

*Les comunico que este año me retiro de mi actividad de profesora privada, y que mi hija Jimena Escudero se va a inscribir para seguir el vínculo con ustedes.*

*Solo me queda agradecerles por una relación que duró casi tres décadas y fue más allá de lo meramente profesional. Todavía conservo el informe de los exámenes del año 1992, cuando mis dos hijas - Jimena e Inés- rindieron sus primeros exámenes en Dickens, en Montevideo. Es una hojita escrita en una vieja computadora o quizás en una máquina de escribir, con el resultado escrito a mano.*

*Deseo que sigan con éxito en esa extraordinaria tarea, con la excelencia profesional y humana que siempre los han caracterizado.*

*¡Muchas gracias, y hasta siempre!*

*Virginia López*
