Letter from the Editor

Dear colleagues,

I can hardly believe that the scholastic year is coming to an end! I imagine that you and your students are working very hard, revisions, tests, advice and what not!

I have a piece of exciting news for you...

The Dickens is growing and we need more classrooms. Since mid year Sofia and Manuel have been looking for a solution and believe me it has not been easy. And what is the solution? An annex near the Dickens where the International Exams Department and the Academic Support Department could move to.

Months went by and nothing... until today I can break the good news to you:
THE DICKENS ANNEX IS NOW A REALITY!

Come with me... cross 21 de Setiembre and cross Luis de la Torre, walk less than half a block and a house very much the Dickens style is waiting to welcome us!... Well not just yet. There are still a lot of things to be done, but it's really lovely!

Walk up the stairs with me and you will find the most amazing skylight. There are windows everywhere and the wooden floor is lovely. I invite you to fall in love with the Dickens Annex as the Dickens People and I have. Congratulations Sofia and Manuel!

I hope you enjoy the good news as much as I have enjoyed sharing it with you...

Paty, Sofia, Manuel, Andrea, Teresa and I wish you and your students lots of luck,

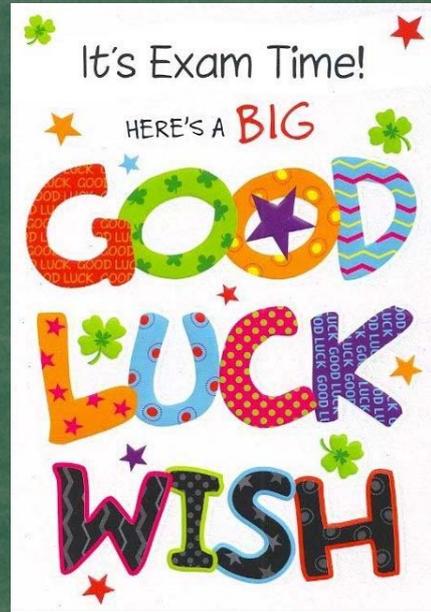

Mónica
